

FOOTBALL CANADA

CHAMPIONS CLUB

The incredible players from past national teams have advanced on to become supportive alumni and distinguished athletes. 23 of our Junior National Team players have moved on to play professional football in the CFL. 14 players are presently spread out across 8 of the 9 professional teams in the CFL, while 2 players have been signed in the NFL.

MATTHEW SEWELL - Drafted 1st round, eighth overall, signed to the Tennessee Titans in 2013 and currently plays for the Saskatchewan Roughriders

PIERRE LAVERTU - Drafted 1st round, first overall, signed to the Calgary Stampeders in 2014 and currently plays for them, CFL West All-Star in 2015, Grey Cup Champion in 2014

DANNY GROULX - Drafted 1st round, seventh overall, signed to the Edmonton Eskimos in 2015 and currently plays for them, Grey Cup Champion in 2015

LINDON GAYDOSH - Drafted 1st round, first overall, signed to the Carolina Panthers in 2013, currently plays for the Saskatchewan Roughriders

GOALS AND ACCOMPLISHMENTS

Football Canada's national team program gives our athletes a once in a lifetime opportunity to compete for Canada and stand out on an international stage. This is a tremendous chance for our players to be seen by the industries top recruiters while at the same time being able to travel and experience the world. Together we can push our players to the next level and promote the game of football internationally, but we need your help to do this.

The National Team program for Football Canada has only existed since 2008, but has experienced tremendous success on the international stage since then including this past July when our Junior National team captured gold in Harbin, China over the the United States. In 2008 Canada entered it inaugural IFAF competition and saw the nation's men capture gold and the women silver, at the Flag Football World Championships in St-Jen-sur-Richelieu, Quebec. Over the next two years, Canada won back-to-back silver medals at the 2009 IFAF U19 World Championship in Canton, Ohio and again in the 2010 Women's World Championship in Sweden.

In August 2019, Canada's women's flag football national team captured gold on home soil in Ottawa. Two years later, Canada beat the U.S to take the gold medal at the 2012 U19 World Championship in Austin, Texas. This was followed by a silver medal at the 2014 Junior Worlds in Kuwait. That same year in Italy, the Canadian men finished fourth while the women's flag football national team won gold for a second-straight world championship. Over the past 9 years, Canada has dominated the sport of football at an international level and continues to show the world how strong our teams are.

CHAMPIONS CLUB

Despite its medal success at IFAF World Championships, Football Canada currently does not receive government funding for its national team program and has limited corporate support.

Football Canada needs your help! The program needs to raise approximately \$300 000 per a year to fund selection trials, training camps, and travel to the World Championships. Our athletes, coaches, and officials make approximately a month long commitment each year for the joy of competing amongst the best in the world. Such commitments require sacrifices and Football Canada wishes to ensure that we are providing our Team Canada members with every opportunity to succeed and that they wear our maple leaf flag proudly.

EVERY CONTRIBUTION COUNTS, REGARDLESS OF ITS SIZE.
